

Warsaw, September 19<sup>th</sup>, 2016

Dear Colleagues,

We are pleased to inform you that the **Zdzisław Szymański Prize** will be awarded in 2017. The purpose of the Prize is to **recognize and promote outstanding theoretical or experimental work in the field of nuclear structure and reactions**. The Szymański Prize is bestowed by the Faculty of Physics of the University of Warsaw and the Selection Committee has decided that the prize will be international.

The Dean of the Faculty of Physics of the University of Warsaw will award the prize on the basis of the recommendation by the Selection Committee. The award is ten thousand Polish zlotys and it will be granted to the Laureate as remuneration for the preparation of a lecture on the subject of their research.

The award ceremony is planned to take place at the XXXV Mazurian Lakes Conference on Physics, Piaski, Poland (September 3-9, 2017). At the same occasion the Laureate will present his/her lecture, which will be published in the conference proceedings.

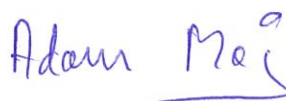

Nominations for the prize should be submitted by December 31<sup>st</sup>, 2016. Please note that candidates must not yet have reached their 41<sup>st</sup> birthday at that date. The application should include: scientific curriculum vitae, list of publications with the number of citations and at least one letter of reference supporting the nomination by detailing the significance of the candidate's achievements. As part of the nomination package, the nominee must give his/her written approval for his/her candidacy. All documentation should be sent in electronic form to the e-mail address: [Szymanski.Prize@fuw.edu.pl](mailto:Szymanski.Prize@fuw.edu.pl)
